

Summertime 2020

Description:

You want to become a better dancer?

Then here is the right place for you.

Our summer camp in Discofox is now organized the 20th time and was the first camp ever in Discofox.

We offer a complete package for amateur dancers to ballroom dancers and dance teachers.

You will bring the fun on dancing with you and we will do all the rest!

We will provide the food and accommodation in the dance school AND of course the couches.

On Friday, three performance groups will be formed after a recommendation from the coaches to the dancers in your dancing skills needs.

Then all pairs are set theoretically and mentally, to achieve optimal performance.

On Saturday, dance basics will be strengthened, encouraged and we will sensitize your sensors.

After that the groups will split up and the coaches teach the classes according to FIG performance materials, expression, leadership and combinations. Thus, there is something for everyone.

Our coaches have been selected very carefully by us. They are characterized by technical, social and educational skills and can incorporate the latest trends and modern in their teaching.

We look forward to you, please call us.
